

Papau New Guinea Missions Update March 2015

Dear Co-labourer's,

Precious God's Love greetings. Church, thanks for your faithful partnership. Your commitment to God is very much appreciated. The seeds you sow will bears great harvest and its for you. 2 Cor 9:10 . *" HE will multiply the seed you have sown."*

Overseas sponsorship for Bible students stopped in 2013. The college and local churches suffered but Romans 8:28 declares the good news that now they can look and believe and trust in the **TRUE JEHOVAH-JIREH**.

Three of our graduates 3 yrs. ago has been promoted last year to District Supervisors and the other to District Youth Coordinator. You have being apart of training those people through your prayers and support. You have a great and important ministry in the body of Christ and to the dark-sin-sick-world.

To reach the unreached souls, they need the key people "the SENDER"- the church - "YOU" according to Rom 10:15. The Lord bless you for your willing hearts to be Gods instruments to keep HIS gospel move forward.

For those n front line, life is difficult but because of the Vermeulen's and you whose hearts desires is to keep God's work moving forward, we are strengthened by the Holy Spirit to keep doing what we are called to do.

Thanks again. WE LOVE YOU ALL N PRAYING FOR YOU

Monisto & Jojo Ysug
